SUMMARY

Motivated BCA graduate (2026) specializing with a strong foundation in Java, HTML, CSS, JavaScript . Skilled in object-oriented programming and web application development. Experienced in developing responsive applications through academic projects and internships. Quick learner with strong problem-solving ability seeking an entry-level software engineering opportunity.

EDUCATION

Bachelor of Computer Applications (BCA)

Dr. P. Dayananda Pai - P. Satisha Pai Government First Grade College, Mangalore

Pre-University Course (PUC)

Shree Rama Pre University College, Kalladka

SSLC(10th)

Mangala English Medium School, Mangalore

PROJECTS

Resume Builder Using Php and Mysql

- Developed a web-based application to create professional resumes dynamically
- Designed user-friendly forms to collect user details
- Stored and retrieved data using MySQL database
- Generated formatted resumes for users

Technologies: PHP, MySQL, HTML, CSS

Banking Management System

Developed a Banking Management System using Java, Spring Boot, MySQL, HTML, CSS, Bootstrap, and Thymeleaf to manage customer accounts, deposits, withdrawals, fund transfers, and transaction history with secure user authentication.

Key Features:

- User Registration and Login
- Account Creation and Management
- Deposit and Withdrawal Operations
- Fund Transfer Between Accounts
- Transaction History Tracking
- Admin Dashboard
- Secure Authentication and Authorization

Technologies Used: Java, Spring Boot, Spring MVC, Spring Security, Hibernate, JPA, MySQL, HTML, CSS, Bootstrap, Thymeleaf, Git, GitHub.

COURSES

Java Full Stack Developer

- Developed web applications using Core Java, JDBC, Hibernate, Servlets, JSP, Spring Framework, Spring Boot, and Spring MVC.
- Built and integrated RESTful APIs for seamless communication between front-end and back-end components.
- Worked with MySQL databases for data storage, retrieval, query optimization, and database management.
- Applied Spring Security for user authentication and authorization.
- Used Git, GitHub, Maven, and Postman for version control, project management, API testing, and build automation.
- Developed real-time projects following industry-standard software development practices.

SKILLS

Languages — Java, HTML, CSS, JavaScript | Frameworks & Libraries — Spring Boot, Spring MVC, Spring Security, Hibernate, JPA | Databases — MySQL | Developer Tools — VS Code, Git, GitHub, Eclipse IDE, Maven, Postman |
REASONING SKILLS

LANGUAGES

English | kannada | Hindi | Tulu
